FIELD TRIP RELEASE FORM

There will be times during the school year that the students will have the opportunity to participate in various field trips. This will include community based instruction, educational experiences (i.e. museums) as well as those related to the physical education curriculum (i.e. Mott Community Center, Kutner Park, and Oak Marr Recreational Center). The students will be transported to these places by walking, school bus, or charter bus.

Please sign below to indicate that your child has your permission to take part in these activities at various times throughout the school year.

We are sure the students will enjoy themselves and are pleased to be able to provide them with this opportunity.
